

Climb - Sector Totem Pole An aesthetic cave for high level climbers. (The right and lower cave with the big column resembling the 'Totem Pole').

1. Totem Pole - 8a 20m. Project on the left side of the 'Totem'. Very steep finish on big tufas. Unfinished.
2. Roofopoulos - 8b 20m. Free project on a very steep rock and roof.
3. Scooby Doo - 7b 20m. Easy start followed by a cruxy traverse right and a very steep and much harder final section between the tufas.
4. Viva Fidel - 6b 18m. Cool route on the steep pocketed wall.
5. Odysseas, the Donkey - 6b 18m. Steep rock for the grade, but climbing on good holds until a tricky final in the cave.
