

Climb - Sector Pescatore This is a new sector, 5min after Irox, to the right.

Climbing: Beautiful wall with many big stalactites and tufas, 30m high, many other possibilities for hard routes in a vertical wall to the left of the tufas wall.

1. Amores Perros - 7c 25m. A stellar line with great technical climbing on a slightly overhanging wall. One of the best in Kalymnos.
2. Padells - 7b 20m. A tufas masterpiece.
3. OTR - 7a 25m. A sustained and technical tufas wall followed by a sharp finale.
4. Issili - 6c 20m. Technical wall with sharp holds.
5. Mafalda - 6a 15m. Beautiful small tufas.
